2. City agrees to furnish utilities services as available at the Address for New Utility Service ("Service Address"), and Applicant agrees to promptly pay for all such services and all other fees and assessments for which Applicant may be billed, including, without limitation, solid waste collection and disposal rates and charges, fire services assessments or fees, and stormwater management system user fees. Where fire services charges are a special assessment as to the property, the Applicant agrees to pay such assessments due to Applicant's use and enjoyment of the property.
3. Applicant agrees to comply with all applicable provisions of Chapter 21, and Chapter 8, Article III, City of Tallahassee Code.
4. Applicant understands and agrees that, in the event the charges and fees payable by Applicant in a billing period exceed the amount of Applicant's applicable security deposit, City may require, and Applicant shall pay, an increase in the amount of the security deposit. The need for and amount of such additional security deposit shall be subject to the reasonable discretion of the City.
5. If service to the Service Address is terminated by either Applicant or City and the Applicant's security deposit is inadequate to pay all amounts owed to the City, Applicant shall remain liable for payment of all such services, fees, and charges. Should the security deposit(s) exceed such amounts, the excess amount shall be refunded to Applicant in due course.
6. Applicant understands and agrees that a security deposit by Applicant for payment of services, charges, and fees at the Service Address may be applied by City for payment of bills for such services, charges, assessments, and fees incurred by Applicant with respect to another Service Address.
7. Applicant understands and agrees that a positive balance in one or more Applicant accounts can be applied by the City against any unpaid Applicant accounts.
8. Applicant understands and agrees that providing there is an unpaid balance due on Applicant's previous account(s) for utility service, said balance may be transferred to this Applicant account for immediate payment.
9. If this Contract is executed by an agent of Applicant, such agent agrees to be jointly and severally liable with Applicant for all amounts that may become due and payable under this Contract.
10. Should City incur any costs of collection of amounts that become due and payable under this Contract, including without limitation fees charged by a collection agency, reasonable attorneys' fees, court costs and other costs of litigation, Applicant hereby agrees to pay all such costs, as often as such costs may be incurred.
11. City collects and utilizes your Social Security Number ("SSN") for the following purposes: classification of accounts, customer identification and verification, customer billing and payment, and other lawful purposes necessary in conducting City business. (See Sec. 119.071(5), Fla. Stat.). The City may release your SSN to commercial entities as required by law. (See Sec. 119.071(5), Fla. Stat.).

IN THE EVENT AAA CANNOT OR WILL NOT ADMINISTER A CLAIM AND THE PARTIES ARE NOT ABLE TO AGREE UPON AN ALTERNATIVE ARBITRATOR, AN ALTERNATIVE ARBITRATOR SHALL BE APPOINTED PURSUANT TO 9 U.S.C. § 5.
